Angie Stone, Judy Harbrecht, Patti Conroy & Kim Dunlap Sponsored by:

*****"Coffee Can Raffle" and door prizes*****

Who: **Judy Harbrecht, RDH; Patti Conroy, RDH, BSDH and Kim Dunlap, RDH, BS** from Montana Dental Hygienists' Association

When: Friday, September 18, 2009

Where: Hilton Garden Inn, 1150 N. Poplar St. Casper, WY

What: **"WE HOPE YOU DANCE" 2 CEU's**

These three hygienists will present on dental hygiene practiced outside of the operatory. Their background includes private practice, nursing homes, and dental hygiene education. They will bring portable dental equipment for us to view. They will also discuss Dental Hygiene under Montana's Limited Access Permit and the opportunities it affords. **"..So if you have the chance, to sit it out or dance... We hope you dance."**

Judy Harbrecht, RDH. Graduated from Ferris State College, Big Rapids, Michigan, in 1968. Since that time Judy has enjoyed a variety of settings and experiences in dental hygiene. She has worked in general practice, periodontal practice, as a clinical affiliate at Carroll College in Helena, Montana, and currently has a dental hygiene clinic at Aspen Meadow nursing home and is contracted by PACE (Program of All-inclusive Care for the Elderly). She has thrived and grown through active participation in MDHA and ADHA, having served on the ADHA BOT for seven years, as Trustee and Treasurer and many years on the Montana Board of Trustees in a variety of capacities. Legislation is dear to her heart because it has brought positive change for dental hygiene and the public we serve. Over forty years in hygiene, and not worn out yet! Married to Bill for 40 years, Judy also has two grown daughters and 4 wonderful grandchildren.

Patti J. Conroy, RDH BSDH, has practiced for 31 years in private practice, both Perio and General Dentistry. She is a member of the Institutional Review Board for Human Subjects Research- Montana and Northern Wyoming. She has been active in ADHA for 24 years. She has served on the Council on Regulation and Practice, Finance Committee, Masterfile Committee and as an ADHA Delegate for 17 years. Patti has been active in the Montana Dental Hygienists' Association for 29 years serving on various committees, task forces and in all officer positions as well as PAC Chairman and Treasurer for 25 years. She has been Legislative Chairman for 25 years. Achievements: added dental hygienists to the Board of Dentistry, created a dental hygiene committee of the Board of Dentistry, secured scope of practice, educational requirements, local anesthesia administration, general supervision, mandatory continuing education, and the Limited Access Permit. Patti is Co-Founder of a long term care independent practice dental hygiene clinic.

Kim Dunlap, RDH, BS graduated in 2004 from MSU Great Falls – College of Technology. Choosing to enter a health care field, she turned her sights to dental hygiene as a second career. Her initial interest in hygiene was because of the good hours and pay. However, hygiene quickly became her passion and mission in life. Having previously earned a Bachelor of Science in Extension/Education, dental hygiene was a good choice for a second degree. Kim works 4-5 days a week in a general practice. She is currently completing her 5th year on the Montana Dental Hygienists' Association state board. Encouraged by Judy Harbrecht and Patty Conroy, she utilizes the Montana Limited Access Permit (LAP) in a number of settings in Great Falls MT. As a life long resident of Montana, Kim and her husband of 25 years are raising their two children (12 & 10) in Great Falls. Past times include children's ministries at a local church, reading dental research articles, and reading books that might prepare her for her children's "middle school" years.

Who: **Angie Stone RDH, BS**
When: Friday, Sept. 18 and Sat., Sept. 19, 2009, 6 CE
Where: Friday Hilton Garden Inn
1150 N. Poplar St., Casper, WY
Saturday UW Outreach Building
951 N. Poplar St., Casper, WY

Friday, 9-18-09

***Adopt a Nursing Home, 1 CEU**

As the population ages and life expectancy increases, the need for some form of assisted living is becoming more and more probable. Whether it is in the form of requiring assistance with activities of daily living (ADL) or more specialized help, nursing care is becoming more of a necessity as approximately one out of twenty Americans over age 65 live in nursing homes. When elders live in a dependent environment, oral care needs do not go away, however availability to access dental services does in many instances. Learn what the dental hygiene community can do to improve the oral health of this population.

Recommended for: Hygienists, Dental Assistants, and anyone interested in the oral health of the dependent adult population.

Saturday, 9-19-09

***A Practical Approach to Improving Oral Care in the Dependent Adult Population, 2 CEU's**

This course addresses oral care issues facing dependent adults, with a focus on nursing home residents and their primary care givers, namely nursing assistants and nurses. Education regarding simple advanced treatment modalities is delivered. This information will get attendees energized about this population. Learn about the Adopt a Nursing Initiative. Come feel the excitement!

Recommended for: Hygienists, Assistants, Dentists

***Brilliant Hyduction, My Dear Hygienist, 3 CEU's**

Many deductions have been drawn to improve the world of Dental Hygiene for patients and hygienists alike. Join Angie as she takes attendees on a journey through the world of these HyDuctions. Topics include PerioDuction (Periodontal Deductions), InstraDuction (Instrument Deductions), MIDuction (Minimal Intervention Deductions), ProDuctions (Productivity Deductions) and many more!

Recommended for: Hygienists, Dentists

Angie Stone RDH, BS, has been in the dental profession for over 25 years, 5 of which was spent on active duty in the United States Navy. She has held virtually each position within the dental office including dental assistant, front office manager and dental hygienist. She has taught both dental assisting and dental hygiene. She currently provides clinical hygiene services in private practice and nursing home environments, is Editor in Chief of *Hygiene Tribune* and provides corporate consulting services to dental product companies. She has had articles published in several dental magazines and journals including: *Dentistry Today*, *Woman Dentist Journal*, *RDH Magazine*, *Modern Hygienist*, and *Nursing Matters* and was the featured Hygienist In Access (ADHA Official Publication).

Angie has a passion for sharing her love of dentistry with colleagues across the country. Her speaking ability and enthusiasm have taken her to RDH Under One Roof, the Wisconsin Assisted Living Association, Nursing home in-service training sessions throughout Wisconsin, PinkTooth.net and the Florida National Dental Association.

Angie received her associate's degree from Madison Area Technical College, Madison, WI, and her bachelor's degree in Psychology from Upper Iowa University. She is a member of the ADHA and the Special Care Dentistry Association.
